Dispute Resolution Mechanism at Stock Exchanges

Dear Stakeholders,

We are pleased to inform you all that SEBI has decided to enhance the awareness of investors (specifically holders of Physical Shares) about availability of arbitration facility at Stock Exchange for their dispute, if any, against Listed Companies/ Registrar and Share Transfer Agent RTAs.

Meaning of Arbitration for this purpose:

Arbitration is a quasi-judicial process of settlement of disputes between Trading Member, Investor, Clearing Member, Authorised Person, Listed Company etc. Arbitration aims at quicker legal resolution for the disputes. When one of the parties feels that the complaint has not been resolved satisfactorily either by the other party or through the complaint resolution process of the Exchange, the parties may choose the route of arbitration.

Availability of Arbitration Mechanism:

If you have any dispute against a listed company and or its Registrar and Share Transfer Agent (RTA) on delay or default in processing your request, as per SEB/ circular dated 30.052022, you can file for arbitration with Stock Exchange.
